KEY & CODE CHANGES For improved security, the Church Council has approved changing the key box code and re-keying access doors to the church. Upon completion, neither the old code or key will provide church access. These changes are anticipated to be complete within the next two weeks. If you need the new code or new door keys, please call the church office, 573-374-5267. If you have questions, please see Bill Work.
