September 2011

I would like to share with you an August 2011 letter from Bishop Mark Hanson. I realize that the Churchwide Assembly has already come and gone, but these words from Bishop Hanson are important for us to hear and take to heart.

Dear Sisters and Brothers in Christ,

I greet you in the name of Jesus, our hope and salvation. This summer, in our diverse settings of ministry and times of rest, we have joined in prayer for those living in the midst of natural disasters, economic uncertainty and famine.

We also have been preparing for our twelfth Churchwide Assembly, August 15-20, 2011. The assembly provides marvelous opportunity for us to affirm our identity as the ELCA and celebrate God's mission that flows from it.

Whether or not you are able to join us for the assembly in Orlando, I invite you and your congregation to watch the business sessions and worship via live video streaming at www.elca.org/assembly. (*announced in church services on August 14th*) You will witness a church that shares a living, daring confidence in God's grace and believes the good news that we are freed in Christ to serve our neighbors at home and around the globe.

Throughout the assembly it will be clear that as the ELCA:

- + We are a church whose unity is in Jesus, who gathers us around word and water, bread and wine. Each day at the assembly, our work will be grounded in our time spent together in worship and Bible study. I encourage you to join us.
- + We are a church called to discern together what the death and resurrection of Jesus Christ means for the world and our common life. As we consider the social statement on genetics, we stand together again at the intersection of faith and life, discerning how to live responsibly in a complex and rapidly changing world. In a culture plagued by incivility and willful misunderstanding, we believe that respectful dialogue not only is possible, but becomes our way of life.
- + We are a church called to roll up our sleeves and get to work in the world. Malaria is a leading cause of death in Africa, claiming the life of a child every 45 seconds. We know what it takes to stop this disease - it's preventable and treatable. A "yes" as a church to the challenge of the ELCA Malaria campaign means that we will join with our global partners to ensure that a healthier future is possible for millions of people. You will also witness a church that remains engaged in Haiti and Japan, responding to the growing famine in Africa and rebuilding communities devastated by disasters at home. How good it is to recognize the awesome capacity we have when we work together.
- + We are a church committed to vibrant congregations, both newly planted and long established. A key recommendation of the Living Into the Future Together (LIFT) task force in a priority that every ELCA congregation will be a growing community proclaiming Christ and becoming engaged in the world.
- + We are a church recognized for our growing global, ecumenical and inter-religious relationships. A greeting at this assembly from Sayyid Syeed will be the first from a representative of the Islamic community. The presence of Bishop George Weber represents our growing relationship with the African Methodist Episcopal Zion Church. Martin Junge, general secretary of the Lutheran World Federation, will travel directly from the famine-stricken Africa to bring a first-hand report of our shared work there.
- + Our identity as a church body is inseparable from our call to do God's work in Christ's name for the life of the world. Please pray that the Holy Spirit will anoint us with power as we witness to the good news of Jesus Christ.

The Rev. Mark S. Hanson
Presiding Bishop, ELCA

You and I can be proud to be an ELCA congregation whose focus is bringing God's Gospel of Grace via Word, Sacrament, Social activeness and Justice to a hurting and needy world.

WELCA

WELCA MINUTES AUGUST 2, 2011

Thirty members attended the August 2nd WELCA meeting at Kent Memorial Lutheran Church. President Eldeen Hanke opened the meeting with a prayer and welcomed the group. She thanked our hostesses Gladys Bohling and Marilyn Peterson for the delicious dessert.

Pat Poretta gave the devotion about Trusting in God.

The secretary read the minutes of the July meeting, and they were approved as read.

Treasurer Karen Hardwick reported a balance of \$2,508.32. There were no questions, and the treasurer's report was approved as presented.

Laurie Care Center - Karen Hardwick asked for volunteers for Bingo on September 27th. She talked about our rummage sale money that was going to the Care Center for swings. She thinks that money has already been raised, and has asked the Center for additional ideas for contributions for the new outdoor area. She also reminded us of the EDL classes.

Christian Action - Shirley Clark reported there were 10 ladies stuffing animals. Mary Marose will help in sewing, JoAn Wilken sewed 54 animals. Lorraine Boyd is also sewing animals at home. Linda Williams made seven sets of booties, and 92 animals were ready to go to the hospital.

Community For Christ - Nancy Beese asked for volunteers for August.

Senior Center - Joyce Wanamaker asked for volunteers for Sept. 12-16th.

Kent Clowns - Janet Harger reported that the clowns will do the church service on October 23rd.

Sunshine Lady - Lorraine Boyd sent six cards in August.

Publicity - Janet Harger reported that the Rummage Sale advertisements were in the paper and on the radio, and flyers had been put up. Chuck Wanamaker will put our signs out on the road in front of church.

Correspondence - Nancy Beese read several thank you notes. August Birthdays were recognized

Old Business

Rummage Sale - Jan Ellis talked about how the sale would be organized, and asked everyone to bring a dish to share for lunch on Thursday. Meat and chips will be furnished. Help is most needed at 8:00 a.m. on Friday and Saturday morning. When organizing, if an article is stained worn or torn, throw it out!. The tear-down will be at noon on Saturday. Friday the Youth Group will be selling hot dogs and drinks.

It was noted that JoAn Wilken would like someone to train with her while she is making chili for the Bazaar on October 15th. JoAn will not be here next year for the bazaar, and someone needs to learn to take her place.

New Business

President Eldeen Hanke requested that we discuss the way we provide food for funerals, and come up with a consistent way of handling this, so everyone knew what to do. The options were:

- A pot luck
- Sandwiches already made up by the grocery store
- Sandwiches

continued on p.7

continued from p.6

There was much discussion, and the group voted to always have a pot luck, with each person bringing a dish that would feed ten people.

Pat Poretta told us that she would like to run 20 more copies of each of our cookbooks, and asked for a motion to do so. Jan Ellis moved and Barb Gidley seconded. Motion carried. Bea Pray volunteered to download and print the copies. Thanks, Bea.

Karen Pragman reported that the Kucklers would be gone for 3-4 weeks, and it would be nice if some people could look in on Helen G. and Helen O. periodically.

Wendy Blomberg thanked everyone for donating school supplies. The Back Pack Program will be going up to 25 back packs this year, and we need some new back packs for the kids at Hurricane Deck school. Wendy moved and Linda Kimberling seconded that WELCA donate funds to buy as many back packs as needed. Motion carried.

Pat Poretta brought up the idea of window treatments for the Sunday School rooms, after noting that during garage sale time the rooms look pretty junky from the street. Karen Pragman asked if undesignated memorial funds might be used to buy shades or curtains. We will look in to that suggestion.

Evelyn Clements passed around pink sheets for donations to the Social Ministry auction, and also noted that tickets were now available for \$8.00 each.

President Eldeen Hanke adjourned the meeting, and we stood and said the Lord's Prayer.

Respectfully submitted,
Nancy Beese, secretary

THANK YOU NOTES

A huge **THANK YOU** to everyone who made the Annual Rummage Sale such a great success. Everyone worked so hard to set up the sale. The lunch of "build your own sandwich" was accompanied with a sumptuous array of epicurean delights in the form of salads, fruits, crunchies, and desserts provided by our Kent Family and Friends. Amid all the working people racing back and forth, sounds of laughter and friendship abounded and it was with a gasp of amazement that we realized in the afternoon that everything was priced and ready and the "SALE" looked good! More than \$4200 was raised. The money will go to the Kent Youth's Fund for their trip to the 2012 ELCA Youth Gathering in New Orleans, for a WELCA-designated gift at the Laurie Care Center, and to the establishment of WELCA's new fund towards the replacement of Kent's kitchen flooring. *(This project has been entertained before but we needed the opening in the floor to excess the well beneath the building , now it is no longer needed.)*

Jan Ellis & her Crew

I wish to thank everyone for the kindnesses (visits, cards, meals) you showed me during my recent injury and fall. Your prayers were especially appreciated and have helped with my recovery. Kent is such a wonderful church with loving people—thanks to everyone. A special thank you to Pastor and Nancy.

Shirley Hamm

Thank you to all for your kind words, generosity and to the ladies who prepared a wonderful meal and allowed us time with family and friends to honor Jerry. Blessed be those who worship his name.

CONGRATULATIONS STANLEY!!!

Stanley Field was elected to serve as an officer for The Friends of Morgan County Library for the 2011-2012 year.
