Pastor's Thought

April 2020

As you read this you are aware that the church council has approved canceling our worship services, Sunday and Wednesdays and all other meetings at least until Holy Week which starts Palm or Passion Sunday (April 5th). That timeline, of course, depends on whether the USA can flatten the curve of the virus and get on the safe side of Covid 19. In the in between time we will continue to use Zoom as our means of worshipping together on Sunday mornings. (An email sent on March 18th has instructions on how to connect with me.) We are doing all this simply to help people to remain safe and keep others safe and stay connect on line or by phone with each other and in prayer with Christ. On Sunday morning I will leave time to make necessary announcement to keep you informed of what is going on.

On to other matters, the council got the feedback from the survey summary and analysis you graciously filled out. The survey reported that for the most areas examined Kent did well. The highest score of 92% was in our relationship with one another which makes for a "healthy social climate." Such a foundation, I have found, always makes for the possibility of transformation possible.

Another area that scored well was sense of mission. The work years ago started by the Partnership for a Missional Church placed us in 4.4 out of 5, just .1 below what is considered the ideal number.

On the concerned side there were a couple of areas that need improvement. One was the inspired leadership at Kent. Our overall score was only 34%. Some feel that we are in a transitional time & that the congregation is floating along until a new permanent pastor comes. There is some truth in that, although when I first started here and we looked at leadership the council strongly felt that it was the council who is leading the congregation and the pastor was the caretaker of our spiritual lives.

There can be a strong sense of leadership and mission when the council takes that responsibility seriously, as ours does. Yet in the survey the congregation indicated that it saw a weakness in a vision-directed leadership inspiring them. Rather what was perceived was simply our enjoying the continuing ministry from the goals from the Partners for a Missional Church. I can understand that for it was a transforming moment but it was from over 7 years ago and things have changed.

Kent needs and can have a vision for growing mission in our congregation & community during this transitional time, but it will require a strong leadership. A solid pastoral leader who is neither dictatorial nor passive, but one willing to take Kent into God's future would help. But we do not know when God will provide such a shepherd and we have work we must do now. So we need a council who is willing to lead and take on the challenges that God seems to be calling forth is the way our constitution defines their responsibilities.

The other area where we scored low was the congregation experiencing God's presence. It was a 27.7% which is a score that says we are in a position to transform Kent to be more spiritually connected to Christ individually and as a congregation. Spiritual renewal is a critical first step in congregational renewal and vitality. Some of the things I have used during worship were moments shared during the Bishop's convocation that aides individual and corporate worship to grow spiritually and we will do more in the days ahead.

I will be asking the church council after this Covid19 is over that we put together a Vital Church Action Team much like the Cottage team to help discern and direct our efforts. If you would like to be part of his team please let me or Bill Work know you desire to serve.

If you would like a printout of the survey we received from Pastor Nolde let us know and we will try to email a copy to you or when we get back to worshipping at Kent pick them up in my outer office.

In the meantime stay safe and call if we can help in some way and stay prayerfully connected to Christ and each other, online or on phone..

God's peace and healing presence be with all of us.

Pastor Carl

Church Council Special Meeting Minutes

March 11, 2020

In Attendance- Melba Bangert, Al Mohling, Carol Hansen, Bill Work, Katherine Lacroix, Michael Wagner, Kathy Fair, Pastor Gauck, Bob Karls, Karen Stanze, Mary Evans, Jan Gauck, Gerry Williams, Katie Heaford, Joyce Wanamaker and Jane Maher

Meeting called to order at 6:00 p.m. by President Bill Work. Bill welcomed Pastor Kendra Nolde

Pastor Nolde opened with devotion and prayer.

Pastor Nolde shared survey results in sections. The survey measures the strengths and challenges of a congregation according to three dimensions: the congregation's connection with God, each other and the world and one concerning some of the factors that contribute to vitality. All scale items range from 1(poor) to 5(great). The target is to score higher than 4.

Section one: Connecting with God- Survey focused on how well the congregation connects people with God through prayer, study, spiritual practices, education, experience, etc. How the congregation as a whole connects with God through its clear sense of mission, sense on God's presence, willingness to try new things and excitement about the future. Overall rating was 4.2.

Section two: Connecting with each other- This section focused on how the congregation connects people with one another. How well we seek out and use each other's gifts, build community, include new people and youth in leadership, incorporate newcomers and manage disagreements. Overall rating was 4.4.

Section three: Connecting with the world- This section focused on how the congregation connects with its neighborhood and the world outside the place of worship. How we impact the community and are part of the neighborhood and it is a part of you. How we feel connected to the rest of the ELCA and the wider Christian community. Overall rating was 4.3

Section four: Sustainability- This section explains two resources are needed to achieve sustainability, money (to pay for staff, fund ministries and maintain facilities) and people (to engage in ministries). There was not a rate available but where told it was rated very well.

(continued on next page)

Section five: Leadership and Gods active presence- This score represents the percentage of all respondents who gave the strongest ratings possible for Gods active presence in the congregation. Goal being 20% our overall rating was 27.7%. Leadership- Vital, sustainable congregations most often have leadership that inspires others to action. Ideal number 50%, our score was 34%.

Relationships: This field shows 92% of the respondents describe a healthy social climate (harmony or respectful disagreements). Ideal score is over 80%.

Meeting adjourned at 8:30 p.m.

Closed with the Lord's Prayer.

Respectfully submitted,

STEWARDSHIP FOCUS

Stewardship Focus - April

Everything we have is a gift from God,
and stewardship is our response to these gifts!

This month's focus from the S.T.E.W.A.R.D. model is the letter S, representing stewardship to Self. St. Paul asks in 1 Corinthians 3:16 "Do you not know that you are a temple of God, and that the Spirit of God dwells in you? He then exhorts us in Romans Chapter 12 to "present our bodies as a sacrifice- alive, holy, and pleasing to God." We must take care of our physical bodies not only to show God our commitment to Him, but so that we are able to help & serve others.

Similarly, we must take care of our spiritual health. "Pursue love and be eager for the spiritual gifts, especially that you may prophesy." 1 Cor. 14:1 By immersing ourselves in His Word and gaining knowledge we not only please God but equip ourselves to be more prepared and able to SHARE JESUS WITH ALL.

Other verses to ponder: Proverbs 3:5-10, Proverbs 2:1-6, Ephesians 1:3

CITIZENS AGAINST DOMESTIC VIOLENCE

Domestic Violence doesn't discriminate, it affects all walks of life. Citizens Against Domestic Violence (CADV) is here to help those who are experiencing Domestic and Sexual Violence and their families. We offer Emergency Shelter as well as Outreach Services. Our free and confidential services include: 24-hour Hotline, 28-bed Emergency Shelter, Legal Advocacy, Hospital Advocacy, Transportation, Support Groups, Crisis Intervention and intensive Case Management. While we focus our business planning in Camden, Miller and Morgan Counties, CADV helps families from everywhere!

In 2019, Citizens Against Domestic Violence (CADV) served just over 1,100 victims. A little under 50% needed emergency shelter services, the other victims needed outreach services. We received 702 hotline calls and provided 6,679 of bed nights for victims of violence and their families. We turned away 164 victims due to lack of resources.

The national statistics on Domestic Violence are staggering.

1 in 4 women have suffered severe violence from an intimate partner.

1 in 7 men have suffered severe violence from an intimate partner.

Every day, 3 women are killed by an intimate partner.

55% of female homicides were related to domestic violence.

Every 98 seconds, an American is sexually assaulted.

1 in 3 women are survivors of sexual violence.

2 out of 3 sexual assaults go unreported to the police.

60% of survivors know the person who assaulted them.

CADV serves many families and needs a lot of support providing these services. If you are interested in volunteering for our organization, please call Amy Thompson at (573) 346-9630. Additionally, we can provide informative training to groups.

**WELCA ANNUAL SPRING LUNCHEON
scheduled for May 5, 2020
HAS BEEN CANCELLED**

Questions: Mary Evans 816-506-7995

RUMMAGE SALE JULY 31 - AUG 1

It seems early to talk about the sale but it will be here sooner than we think.

Changes were suggested for the Boutique room such as having baked goods, nice jewelry (anyone having repairable items, we can take of that), designer purses, scarves, new or nearly new & designer clothes, decorator item or anything worthy of Boutique quality. We would ask that items be clean, washed & pressed. They will be stored in the youth room (downstairs, off of the storage room). There will be a box in the social hall for drop off of smaller items.

Any questions please call Eldeen 873-3579

BOX TOPS, UPC CODES & LABELS

Don't care what brand you buy? Then look for the "Box Tops" symbol!

By redeeming the Box Tops & Soup Labels for Education, we help our partner schools, Hurricane Deck Elementary & South Elementary, to purchase things like library books and playground/sports equipment.

WELCA also collects Best Choice UPC codes & pop top rings. The labels must show the bar code. For every 1000 labels, WELCA gets \$30 for community projects!

And keep bringing in those pop top rings!

COMING SOON ~ No more clipping! Just scan your receipt to give the schools the labels.

If you see this label, use the new Box Tops app to scan your receipt. Box Tops are still worth 10¢ each for your school. The app will find participating products purchased at any store and instantly add cash to your school's earnings online.

REMEMBER TO CLIP OR SCAN & SAVE THOSE POP TOP RINGS!

THANK YOU

Charles Niemann would like to thank the pastor for his two visits (one with communion) in the hospital. Also, for all the prayers and cards from his friends while recovering from a hernia operation.
